Size: Small Feather Flag Templates
Shape: All

These templates are provided at full size. Please use the template required dependant on shape chosen.

Please use all of the artboard (Blue Area) however please ensure important aspects of the artwork are kept wihtin 5cm of the safety area (Yellow dashed line). Please ensure to remove the Yellow dashed line once your artwork is complete and before sending to us.

Please note the blue area is your background design or colour - so you will need to change this or remove it and replace with your design/required colour.

Please submit your artwork to the below specification:
- CMYK colour mode, ensuring any pantone/spot colours have been converted to CMYK.
- Please do not include any bleed or crop marks.
- High resolution, min 300dpi (JPG/PNG files can be accepted as long as the artwork is provided at the full size)
- Please convert all fonts/text to outlines or ensure they are embedded into your PDF files.
- Please ensure any linked files are embedded into your file.

If anything is unclear with the details in this template then please email us for help or advice
