Pop Out Banner - Large

This template is provided at full size for the large pop up/pop out banner.

Please use all of the artboard (Blue Area) - Please note that the yellow edge/area will not be visible after printing, so please keep important aspects of the artwork away from this area.

Please note that the blue area is your background design or colour, so this will need to be removed and replaced with your desired colour/background design.

Please submit your artwork to the below specification:
- CMYK colour mode, ensuring any pantone/spot colours have been converted to CMYK.
- Please do not include any bleed or crop marks.
- High resolution, min 300dpi (JPG/PNG files can be accepted as long as the artwork is provided at the full size)
- Please convert all fonts/text to outlines or ensure they are embedded into your PDF files.
- Please ensure any linked files are embedded into your file.

If anything is unclear with the details in this template then please email us for help or advice
